General Terms and Conditions for Car Rental

The **General Terms and Conditions of Rental** given below are a part of the Vehicle Hire Agreement (hereinafter referred to as the **Agreement**) held between Goldcar Spain S.L. with company tax code (CIF) B-03403169 and registered address at Ctra. de Valencia N-332 km 115, San Juan de Alicante (hereinafter **Goldcar**) and the Customers whose details appear on page 1 of the **Agreement** (hereinafter the **customers**).

1. PURPOSE

Customers receive the rental vehicle described in the rental **Agreement** in perfect working order, with all its documents, tires, tools and accessories, and undertake to look after them and drive the vehicle in compliance with the Highway Code and the provisions set out in these General Terms and Conditions.

2. RENTAL PERIOD

The term of the **Agreement** is set out on page 1 herein and indicates the date and time on which the vehicle must be returned.

The rental dates are computed in 24-hour periods, counted from the exact time **customers** collected the vehicle until they return the vehicle, with its keys and documents to **Goldcar**. The courtesy period for returning the vehicle is 59 minutes.

The **Agreement** may never be for a rental period of more than 89 days.

No refund will be made for the days the vehicle is not used in the event that **customers** return the vehicle earlier than the date specified in the **Agreement**.

3. EXTENSIONS

Customers must return the vehicle on the date and time indicated in the preceding section. For an extension of the rental period, **customers** must go to the closest **Goldcar** office to sign an extension document. Agreements cannot be extended by phone or by any other means of electronic communication.

The deposit given as surety may not be used to extend the rental period under any circumstance. **Goldcar** may charge **customers** a fee for any extensions to this **Agreement**.

In the event that the **Agreement** cannot be extended because no vehicles are available or for any other reason, **customers** must return the vehicle on the agreed date and time to the agreed **Goldcar** office.

Depending on the terms and conditions in the initial **Contract**, a new contract may need to be signed when an extension of the rental period is requested. In that case, the new contract invalidates the current **Contract**.

4. VEHICLE RETURN

Customers must return the hired vehicle in its pre-rental condition, together with all its documents, tyres, tools and accessories, at the place and on the date and time set out in the rental **Agreement**.

Customers must not change the vehicle's technical specifications, keys, equipment, tools and/or accessories, or make changes to its external or interior appearance. Otherwise, **customers** must pay for the expense of returning the vehicle to its pre-rental condition, without detriment to **Goldcar**'s loss-of-income during the period the

vehicle is not available for rent because it is being valeted, and for any other damages sustained by **Goldcar**.

5. FAILURE TO RETURN THE VEHICLE

Failure to return the vehicle on the date and time set out in the Contract authorises **Goldcar** to charge **customers** for each day they use the vehicle after it should have been returned. **Goldcar** will also charge a penalty of €30 for every day of delay to cover the inconvenience caused to **Goldcar**.

Similarly, returning or abandoning the vehicle in a place other than the one indicated in the Agreement, will entitle **Goldcar** to require customers to pay:

1. Rent for each extra day needed to retrieve the vehicle and return it to its pre-rental condition so it can be hired again;
2. **€30** as compensation for loss-of-income, and
3. the cost of moving or towing the vehicle, tolls, and safekeeping and guarding, as the case may be, to the place convened in the Agreement for returning the vehicle, as set forth in Schedule I.

In the event that the vehicle disappears or is not returned, **Goldcar** reserves the right to bring legal action against the **customers** before the competent authorities with the full weight and consequences of the law.

A unilateral extension of the Agreement by **customers** will be considered illicit use of the vehicle, in which case the customers will be held liable for any damage to the vehicle.

6. PAYMENTS AND METHODS OF PAYMENT

6.1 Payments:

Customers undertake to pay **Goldcar**:

1. The charges for the vehicle rental, delivery and return, insurance and taxes set out in the current **Goldcar** rates (hereinafter referred to as the General Rate), which were made known to the **customers** beforehand. The initial rate will be conditional on returning the vehicle at the agreed place and at the agreed date and time. The rates may vary depending on the season and the office where the vehicle is hired. Hence, **customers** are liable for verifying the rate applicable before hiring the vehicle.
2. The price of the fuel in accordance with the Fuel Policy set out herein.
3. Any other items that may apply to the **customers**, according to **Goldcar**'s contract and commercial terms and conditions.

6.1.2 **Customers** convene that at the end of the rental period **Goldcar** may use electronic or any other means of payment, without the **customers**' express consent, to charge the following items:

4. Up to €150 at **Goldcar**'s discretion for SPECIAL CLEANING when the state in which a vehicle is returned requires a thorough valeting and cleaning.

5. Up to €230 for the expense incurred through the loss of a vehicle's documents or keys, and/or sending a set of keys to the office concerned, in the event of loss, breakage or return of the vehicle's keys to an office that is not the office at which the vehicle was collected, or for any other situation attributable to the **customers** in which the vehicle is immobilized.
6. The cost of towing the vehicle, if necessary.
7. The costs arising from loss, wear or damage to the wheel rims, tyres (including flat tyres and blowouts), tools, windcreens, rear-view mirrors, accessories, the vehicle's interior, and problems caused by using the wrong type of fuel.
8. Any tolls, fines, sanctions, and court costs caused by infringement of highway regulations, laws, rules and by-laws (including congestion charges and restrictions to motor vehicles, where these exist) incurred by the **customers** during the rental period that have been met by **Goldcar**.
9. Notwithstanding the foregoing, **Goldcar** reserves the right to charge the **customers** an extra €30 for processing and sending notice of the above-mentioned sanctions to the authorities.
10. The cost of repairs for damages caused to the vehicle in the event of an accident, in any of the following circumstances:
 - The vehicle was not used according to the agreed terms and conditions.
 - The accident report form – either the '*Declaración Amistosa de Accidente*' (DAA or Amicable Accident Report) or the '*Informe de Siniestro*' (Accident Report) – was not completed and sent to **Goldcar** in due time, or it is a misrepresentation of the facts.
 - The damage done to the vehicle is due to the **customers'** miscalculation of the height of the vehicle.
 - Extra insurance was not taken out (see section 8).

The amount charged to **customers** for damages to the vehicle is computed according to the assessment made by an independent adjuster. Alternatively, if an external assessment cannot be made, **customers** will be charged the amount resulting from a preliminary assessment made by qualified **Goldcar** staff, according to the rates published in Annex I hereto, which are known and consented to by the **customers**.

All the foregoing will apply without prejudice to a subsequent settlement and adjustment after an estimate is made by a garage or an assessment is made by an independent adjuster.

Likewise, **Goldcar** reserves the right to charge **customers** compensation for loss-of-income owing to immobilization of the damaged vehicle. Such compensation will be calculated on the number of days required to repair the vehicle, established by an independent adjuster or, after the vehicle has been repaired, by counting one day for every eight hours of work invested by the garage and used as the base to quantify the daily rate at which the vehicle was hired. The days the vehicle is immobilized count as days the vehicle was not returned on the convened date, and thus the extra €30 per day set out in the preceding clause will also apply.

Customers' liability will not exceed the vehicle's market value, according to the maximum price set out in the Ganvam guide in force at the time of the accident.

6.2 Method of Payment:

The credit card used to make the booking must be submitted by the holder when the vehicle is delivered. The cardholder must also be the vehicle's main driver. An application must be completed for an additional driver if the cardholder is unable to drive or does not wish to do so.

Payment for hiring the vehicle and any additional items can be made in the currency chosen by the **customers**. Multiple currency operations are accepted, under the terms and conditions set out by the Bank handling the payment.

7. FUEL POLICY

When hiring a vehicle, **customers** may choose the fuel policy set out herein that is best suited to their needs:

1. *ORDINARY FULL/EMPTY OPTION*

Customers who choose this option pay for a full fuel tank at the **Goldcar** facilities, at the market price for fuel of the type recommended by the vehicle's manufacturer.

By selecting this option, **customers** waive a refund for any fuel remaining in the tank when they return the vehicle.

Goldcar provides this service at competitive fuel prices as a courtesy to our **customers**.

2. *DISCOUNT FULL/EMPTY OPTION(Only for rental periods of 3 days or less)*

Customers who choose this option pay for a full fuel tank at the **Goldcar** facilities, at the market price for fuel of the type recommended by the vehicle's manufacturer.

Customers are refunded for the amount of fuel remaining in the tank when they return the vehicle to **Goldcar**, according to the eighths of tank recorded on the vehicle's fuel gauge.

This option only applies to vehicles hired for a rental period of three days or less. The ORDINARY FULL/EMPTY option will apply to any additional days not included in this option.

8. INSURANCE

Rates include Compulsory Insurance for the vehicle and Supplementary Civil Liability insurance to cover damage to third parties as a result of using the vehicle.

The insurance cover is guaranteed and assumed by **Goldcar**'s insurance company and is subject to the insurance policy's general and specific clauses, and current legislation. By signing the vehicle hire agreement, **customers** accept the conditions of the insurance policy, which are available to **customers** upon request.

The insurance cover includes damage to the vehicle caused by collision, theft, accidental fire and acts of vandalism, providing that:

1. In the event of a collision, **customers** send **Goldcar** the full details of the third party and any witnesses before forty-eight hours have elapsed, as well as a completed accident report form (DAA – Amicable Accident Report) stating the number plate, the name and address of the third party, the circumstances of the collision, a sketch of the accident, the name of the third party's insurance company and, if possible, the number of the insurance policy. The accident report form must be signed by the two drivers involved in the accident. If there is no accident report form, the parties must complete a Claims Report provided by **Goldcar**.
2. The insurance company does not refuse to accept the claim because, at the time of the accident, the vehicle's driver was not in the physical and mental condition required by the Highway Code.
3. The collision, theft, fire or act of vandalism was not the result of non-
authorised use of the vehicle as set out in section 10, and
4. **Customers** sent notice of the collision, theft, fire or act of vandalism caused to the vehicle within forty-eight hours of the event, together with the relevant documents (accident report, report to the authorities, etc.).

Notwithstanding the foregoing, THE INSURANCE COVER EXPRESSLY EXCLUDES:

5. Damage to tyres, tyre rims, the vehicle's interior, outside rear view mirrors, glass and underside
6. Flat tyres and blowouts
7. Damage to the clutch
8. Loss-of-income for the days the vehicle cannot be used due to repairs.
9. Tow-truck costs
10. Battery recharge

These exclusions may be covered in full or in part by expressly taking out a specific insurance at an extra price. The insurance cover and guarantees of the additional insurance are only valid if **customers** meet the terms and conditions established for the damage they cause to the vehicle.

8.2 Car hire at offices that have special insurance conditions in which, despite all the foregoing being applicable, there is an excess for damage to the vehicle caused by an accident or theft that must be reported to the relevant offices, indicating the amount of said excess.

An additional special insurance may be taken out to lower the excess to zero. Again, the extra insurance's cover or guarantees will only be valid if **customers** meet the conditions set out beforehand.

Customers who do not wish to take out such insurance must leave a deposit for the amount of said excess. **Goldcar** reserves the right to use the said deposit to cover damage to the vehicle as set out in the preceding paragraphs and for any subsequent charges that must be made to **customers** for any of the reasons set forth herein.

9. CUSTOMERS' OBLIGATIONS

In the event of an accident, **customers** undertake:

1. To send **Goldcar** the full details of the third party and any witnesses before forty-eight hours have elapsed, as well as a completed accident report form (Agreed Statement of Facts - DAA) stating the number plate, the name and address of the third party, the circumstances of the collision, a sketch of the accident, the name of the third party's insurance company and, if possible, the number of the insurance policy. The accident report form must be signed by the two drivers involved in the accident. If there is no accident report form, the parties must complete a Claims Report that will be provided by **Goldcar**;
2. To alert the authority immediately if the guilt of the third party needs to be investigated or if anyone has been injured;
3. Not to abandon the hired vehicle without taking due measures to safeguard it.

In the event of an act of vandalism, fire, theft or disappearance of the vehicle, **customers** undertake to notify **Goldcar** of the event immediately and to report it to the authorities, sending a copy of the report to **Goldcar** as soon as possible.

10. NON-AUTHORISED USE

It is the **customers'** duty to use the vehicle with due diligence, in line with its characteristics, and to obey the current Highway Code, avoiding any situation that might cause damage to the vehicle or to third parties.

Likewise, it is the **customers'** duty not to allow anyone other than those authorised under this vehicle hire agreement to drive the vehicle. **Customers** are liable for any damage to the vehicle or to third parties arising from a breach of such terms.

Failure to comply with the provisions of these sections will be construed as non-authorised use.

Customers are fully liable for damage to the exterior and interior of the vehicle due to non-authorised use, and must pay any expenses incurred as set forth in section 6.

In the event of prosecution, **customers** must pay for all court costs and lawyers' fees, even if the latter's involvement in the proceedings was not mandatory.

11. DRIVING LICENCE

Customers must have a valid driving licence recognised in the country where they collect the **Goldcar** vehicle. **Customers** are liable for the expiry date and recognition of the driving licence and must not hold **Goldcar** liable under any circumstance.

The deposit is returned at the end of the rental period after the vehicle has been inspected and compliance with the Agreement's general and specific terms and conditions has been verified. For that purpose, the deposit may be retained for up to 15 days after the vehicle has been returned.

15. COMPULSORY APPROVED CHILD RESTRAINTS

Customers must notify **Goldcar** when children under three years of age and adults under 1.5 metres in height will be riding in the vehicle so **Goldcar** can provide an approved restraint, for a fee, for the weight and height of the person who will use it. **Customers** are responsible for installing the restraint, which WILL NOT BE ANCHORED to the vehicle.

16. CANCELLATION

Goldcar reserves the right to early termination of this Agreement, with no compensation to the **customer**, the instant **Goldcar** is aware of information that:
